

OAHU SOUTH SHORE FOUNDATION • HISTORIC PRESERVATION CAMPAIGN

Restore the front entrance of a *Hawai'i historic place*

Help us rehabilitate the entry to the historic Waikiki Yacht Club clubhouse on the Ala Wai.

The restored entrance from Ala Moana Boulevard (artist's rendering)

The entry courtyard, lanterns and historic marker (artist's rendering)

A place worth preserving

In 2023 the Waikiki Yacht Club clubhouse was listed on the Hawai'i Register of Historic Places. For generations it has been part of life on the Ala Wai. Its junior sailing program has been open to every keiki since 1947, and today the clubhouse hosts school sailing and paddling teams, ocean-safety classes, and community gatherings on the water.

The project

The Foundation is raising funds to rehabilitate the entrance, the first thing the public sees from Ala Moana Boulevard:

- Restore the entry facade, canopy and doors
- A safe, accessible entry walk and courtyard
- Period-style lighting and island landscaping
- A historic marker sharing the clubhouse's story with every visitor

CAMPAIGN GOAL

\$100,000

Every gift, large or small, brings the restored entrance closer. Donors will be recognized at the dedication of the restored entrance.

The Oahu South Shore Foundation is a 501(c)(3) nonprofit organization (EIN 33-3987023). Contributions are tax-deductible to the extent allowed by law. A written acknowledgment will be provided for gifts of \$250 or more.

Gifts are made to the Oahu South Shore Foundation, which retains full discretion and control over the use of all contributions in furtherance of its charitable purposes, including preservation of the historic Waikiki Yacht Club clubhouse. Funds raised beyond the project's needs will support the Foundation's other preservation work.

Renderings are artist's concepts. Final design is subject to Foundation approval and all required permits and approvals.
